The screenshot shows a Safari browser window with the URL `dev.mysql.com/downloads/mysql`. The page title is "MySQL :: Download MySQL Community Server". The MySQL logo is at the top left, with the tagline "The world's most popular open source database". Navigation tabs include "MySQL.com", "Downloads", "Documentation", and "Developer Zone". A secondary navigation bar lists "Enterprise", "Community", "Yum Repository", "APT Repository", "SUSE Repository", "Windows", and "Archives". The main heading is "Download MySQL Community Server". The text describes the MySQL Community Edition as a freely downloadable version of the world's most popular open source database. It also mentions that MySQL Cluster Community Edition is available as a separate download. A sidebar on the left lists various MySQL products like "MySQL on Windows", "MySQL Yum Repository", etc. A blue box on the right states that MySQL open source software is provided under the GPL License and that OEMs, ISVs, and VARs can purchase commercial licenses. A button labeled "Important Platform Support Updates" is visible at the bottom of the main content area.
